

Return to School Update

Friday 7th August 2020

Breakfast Club

Breakfast Clubs across South Lanarkshire, including Glengowan, will not start at the beginning of term. Parents/carers will be notified when this is re-introduced.

Footwear

We have a relaxed position on this. The children may wear shoes or trainers to school. As previously stated, children will not be changing into indoor shoes for just now.

Morning Milk

Glengowan is one of the few schools that continues to offer an additional milk in the morning for 20p. This will not be offered at the moment. However, due to its popularity we hope to have this on offer again very soon. Milk at lunchtime is not affected by this change and can still be ordered.

School Bus

All children who use the school bus and after-school care will now meet in the gym hall at the end of the day. This provides more space.

Parents/Carers are reminded that the bus bay should not be used for parking.

Staggered Pick-Up from Monday 17th August

Once all children have returned to school on Monday 17th August, we will have staggered pick-up times from 2.50pm to 3.05 pm. This does not apply on the first 3 days (12th-14th August). A normal 3pm dismissal is planned.

A document showing which gate your child should use and dismissal times will be posted in the news section by tomorrow.

Unless you are waiting for another child, we would ask that you leave the school grounds as quickly as possible to avoid congestion.

Adults are reminded to be appropriately distanced from each other.

The expectation from South Lanarkshire was that we should provide information about next week's return of each stage earlier this week. Although this was done on Wednesday, we thought it would be helpful to give as much notice as possible about what will happen the following week (17th). As questions arise and adaptations are made in this challenging time, please be assured that we will answer and address all that we can via this platform. Please ask anyone who collects your child to download our School App.

Thank you.
