

Glengowan Primary School and Nursery Class

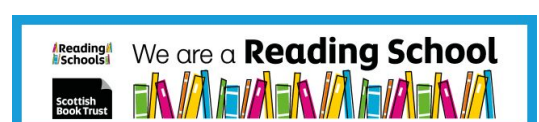

Newsletter - April 2024

Dear Parent/Carer

Engineering Challenge

In an earlier newsletter, I shared that we had a visitor, Morgan Swan, who spoke to the children about life as an engineer. Following this, P4-7 children submitted their own designs for new inventions. One of our P5 children has been invited to an award ceremony next month due to her excellent entry. Another eight Glengowan pupils were recognised for their creativity. Howden sent a gift for these children. We are very proud of them all.

Making Bread

Our Primary 1 pupils were busy baking bread recently as part of their learning about the farm and the story of The Little Red Hen. Thank you to Janice and her catering team for all the help.

Parents Portal

Almost all parents/carers of P1-7 children are now registered with parentsportal.scot
