1. Introduction by the Head Teacher

Welcome to Glengowan Primary School.

Our school is proud to be part of Larkhall Learning Community and with your continued support we aim to continue to have a high profile within the community. We work as a team to support and challenge our children in order that they are equipped with a range of skills which enable them to become successful learners, confident individuals, effective contributors and responsible citizens.

We are proud of our school's reputation, our achievements and our ethos but most of all we are proud of our pupils.

We hope that you will feel part of our school community and share in our pride and pleasure in all that we achieve in Glengowan Primary.

Mr Graeme Murray
Head Teacher

South Lanarkshire Council is the fifth largest authority in Scotland. It covers the following main areas; Clydesdale in the south which features extensive rural areas, Cambuslang, Rutherglen, Blantyre and Uddingston to the north as well as the towns of East Kilbride and Hamilton.

The Council's Plan Connect sets out the Council's vision which is, "to improve the lives and prospects for everyone in South Lanarkshire".

For Education Resources this means delivering services of the highest quality as well as striving to narrow the gap. It is about continually improving the services for everyone at the same time as giving priority to children, young people, families, and communities in most need. The priorities for schools and services are set out in the Education Resources Plan which confirms the commitment to provide better learning opportunities and outcomes for children and young people.

The priorities for all schools in South Lanarkshire are set out on the back page of the handbook.

2. About our school

Name	Glengowan Primary School
Address	Summerlee Road, Larkhall, ML9 2UH
Phone	01698 882208
Email	office@glengowan-pri.s-lanark.sch.uk
School Website	www.glengowan-pri.s-lanark.sch.uk
Stages	P1 - P7
Present Roll	278
Status	Non-denominational

SCHOOL HOURS

Opening	8.50-9am (Staggered entry)
Morning Interval	10.30 am - 10.45 am
Lunch	12.15 pm - 1.00 pm
Closing Time	2.50-3pm (Staggered exit)

3. Ethos

Values

Respect, Achievement and Resilience.

Vision

At Glengowan, we want our pupils to become independent learners who reach their full potential.

Aims

To make learning relevant, active, challenging and enjoyable within a safe, nurturing environment.

To enable our pupils to become motivated learners who are confident in their own ability to achieve.

4. Staff List

Head Teacher	Mr Graeme Murray
--------------	------------------

Depute Head	Mrs Karen Field
-------------	-----------------

Acting Depute Head	Mr Calum Urquhart
--------------------	-------------------

Class Teachers

P1A	Mrs Semple
P1B	Mrs Inglis
P2/3	Miss Gilbert
P2	Mrs Gardiner
P3A	Mrs McBride
P3/4	Mrs Potter
P4	Mrs McMillan
P5	Mrs Craig/Miss Linn
P6A	Mrs Kyle
P6B	Mrs Warwick
P7	Miss Richardson

Nursery Team Leader	Mrs Burns
Early Years Workers	Mrs Whitelaw Mrs Aitken Miss Gardner Mrs Roe Mrs Kane Mrs McReady Mrs Robb
EY Support Worker	Miss Viuker
Janitor	Mr Tom Hannah

Support Staff

Team Leader	Mrs MacLaren
Support Staff	Mrs Bennett Mrs Hendry Mrs MacPherson Mrs Swan Mrs Thomson

5. Attendance

Every effort should be made to ensure that your child attends school during term time. Please contact the school as soon as possible if your child is unable to attend school. It is important for the school to work with parents/carers in encouraging children to attend school. All absences are required by law to be recorded. Absences will normally fall under two categories – authorised or unauthorised absence. In cases where your child is unable to attend school parents are asked to:

If your child is unwell, please contact the school office before 9am. It would be helpful to keep us informed if the absence continues longer than one day.

If you know they have a hospital/dental appointment, please let us know in advance.

Requests for your child to be absent from school to make an extended visit to relatives either in the UK or overseas must be made in writing to the head teacher, detailing the reason, destination and duration of absence and arrangements for their continuing education. On these occasions the pupil will be marked as an unauthorised absence.

Parents may request that their children be permitted to be absent in order to celebrate recognised religious events. Advance notice should be provided to the school when children will be absent. Appropriate requests will be granted, and the pupil noted as an authorised absentee in the register. (See section 7).

Emergency Information

We strive to keep the school open during term-time. However, there may be instances such as severe weather or power failures that could affect the school day. In such cases, we will inform you as soon as possible through text messages and our social media channels.

Severe Weather Protocol

In the event of severe weather like snow or heavy frost, if the school cannot open at the usual time, we will delay the start until 10 am. Notifications will be posted on social media and the council's website.

Communication

The Council's website, www.southlanarkshire.gov.uk, will provide updates on school closures or delays including further information about the next school day.

Parental Responsibilities

- Inform the school of any changes to your contact details.
- If unsure about the school's status, visit the website www.southlanarkshire.gov.uk or email education@southlanarkshire.gov.uk.

Your Commitments

We ask that you:

- Support and encourage your child's learning.
- Respect and adhere to the school's policies.
- Respect school staff and support the school's commitment to your child's education.

Family Holidays During Term Time

Please ensure your child attends school during term time and avoid holidays during this period as it disrupts education and reduces learning time. If a holiday during term time is unavoidable, inform the school in advance by letter.

Holidays during term time will be marked as unauthorised absences, except in exceptional circumstances where parents can demonstrate the inability to obtain leave during school holidays. Unexplained absences will be recorded as unauthorised.

Encouraging School Attendance

We believe that regular school attendance is key to raising attainment and achievement. It's a shared responsibility among parents/carers and the school to emphasise the importance of attending school.

For your convenience, school holiday dates and in-service dates can be found on the council's website: www.southlanarkshire.gov.uk.

Parental Involvement

The Scottish Schools (Parental Involvement) Act 2006 offers guidance for education authorities, Parent Councils, and others.

Parentzone [Parentzone Scotland | Education Scotland](http://www.parentzone.scot.nps.org.uk) provides resources for parents and Parent Councils, and the National Parent Forum for Scotland offers additional information at www.npfs.org.uk.

Parental Involvement/Parent Council

South Lanarkshire Council values parents as partners in their child's education and has published a strategy called 'Making a difference – working together to support children's learning', available on the Council's website:

www.southlanarkshire.gov.uk/downloads/file/13457/parents_as_partners_-_strategy_2019

The Importance of Parental Involvement

- Parents, carers, and family members are the most significant influences on children's lives.
- Children spend only 15% of their time in school between the ages of 5 and 16.
- Research shows that parental involvement in learning leads to better outcomes at school and in life.

Our Aims for Parents/Carers

- To be welcomed and involved in the life of the school.
- To be fully informed about their child's learning.
- To be encouraged to contribute actively to their child's learning.
- To be able to support learning at home.
- To be encouraged to express views and participate in discussions on education-related issues.

Parent Forum and Parent Council

- Every parent with a child at school is automatically a member of the parent forum.
- The Parent Council is a formal group with a constitution that acts as the Parent Voice of the school.

Getting Involved

- To learn more about becoming a parent helper or joining the Parent Council and/or Parent Teacher Association, contact the school or visit our website.

A guide on the role of a Parent Council, created by parents for parents, is available via this link [Parent Councils](#)

Parentzone Scotland

- A unique website for parents and carers in Scotland, offering information from early years to beyond school.

- Provides up-to-date information about learning in Scotland and practical advice to support children's learning at home.
- Offers more detailed information on additional support needs
- Explains how parents can get involved in their child's school and education.
- Includes details about schools, performance data for school leavers from S4-S6, and links to national, local authority, and school-level data on the achievement of Curriculum for Excellence levels.

7.The Curriculum

Curriculum for Excellence is the name given to the curriculum in Scotland for all children and young people aged 3-18. It is forward looking, coherent, flexible and an enriched curriculum that provides young people with opportunities to engage with the knowledge, skills and attributes they will need to flourish in life, learning and work.

The curriculum places learners at the heart of education and at its centre are four fundamental capacities - successful learners, confident individuals, responsible citizens, and effective contributors. It includes all of the experiences that are planned for children and young people to support the development of their skills, wherever they are being educated, for example in the family and community, pre-school centre, nursery, and school.

In taking this forward our school will work closely with South Lanarkshire Education Resources and other services to enrich the curriculum, to provide the best possible education for all children and young people. We wish you to feel confident that your child is encouraged and supported to develop their literacy, numeracy and other skills whilst they attend our school. The curricular areas are as follows:

- Expressive arts
- Languages and literacy
- Health and wellbeing
- Mathematics and numeracy
- Religious and moral education
- Science
- Social studies
- Technologies

Active Learning

We endeavour to engage our pupils in their learning by providing active and interactive lessons in all areas of the curriculum.

We believe that children learn best when they are really involved in their own learning and so we provide many opportunities for our pupils to talk, listen, work collaboratively, observe, create, experiment, record and assess.

Active learning approaches help our pupils to become independent learners.

Expressive Arts

Through the delivery of planned and progressive programmes of study based on Curriculum for Excellence guidelines we offer our pupils many opportunities to explore their creativity and develop their skills and confidence through their participation in expressive arts lessons and performances.

Languages and Literacy

Language and literacy skills are developed within the areas of reading, writing, talking and listening. We use a wide range of resources and texts to deliver our planned programmes of study. Digital Technology is used regularly to support the delivery of literacy.

The skills of literacy are also taught through many of our cross curricular studies or inter-disciplinary approaches.

French is the language taught in all Learning Community schools. We are in the process of enhancing the provision of teaching French across our school. The approach we use to deliver modern languages is very interactive and also gives our pupils an awareness of the culture of France.

Health and Wellbeing

We involve our pupils in a range of activities which help to develop their understanding of the importance of making the correct choices for their own physical and emotional well-being.

All pupils are offered two weekly sessions of Physical Education, generally one indoors and a stamina building session outdoors in our MUGA pitch. We work with a range of partners and specialists who provide taster sessions in a variety of activities e.g. Rugby, Judo. Our primary five pupils are offered a block of swimming lessons at Larkhall Leisure Centre.

Through our planning approaches and programmes of study we offer our pupils opportunities to explore the themes of the well-being indicators as they are identified in GIRFEC (Getting It Right For Every Child). We want our pupils to have an understanding of what it means to be Safe, Healthy, Achieving, Nurtured, Active, Respected, Responsible and Included. These are often referred to as the SHANARRI indicators.

Mathematics and Numeracy

In Mathematics, we provide our pupils with a progressive programme of study which develops their skills and understanding of Number, Money and Measure, Shape, Position and Movement, Information Handling and Problem Solving.

We encourage our pupils to see the connections between their school based learning in Mathematics and real life.

Our pupils enjoy using Digital Technology to support their learning and teachers are able to use programmes such as Sumdog to assess pupil progress as well as its use as a diagnostic tool.

Social Studies, Sciences and Technologies

Each year our pupils participate in topics/studies based on People and Place, Past Events and Society, Place and Environment and People in Society and Economic and Business. All topics/studies are based on Curriculum for Excellence experiences and outcomes and are planned to take account of pupil needs.

We are fortunate to have a well equipped IT Suite as well as interactive whiteboards in every classroom and teaching area. We also have chromebooks.

Our programme of study in Science offers a series of progressive discrete lessons to all pupils. As well as this we utilise many opportunities to deliver Science through inter-disciplinary learning.

If you want to know more about Curriculum for Excellence, please visit [Scotland's Curriculum for Excellence \(scotlandscurriculum.scot\)](http://scotlandscurriculum.scot)

Our learning and teaching activities are based on the outcomes and experiences in the guidelines that all schools have for Curriculum for Excellence.

Level	Stage
Early	The pre-school years and Primary 1 or later for some.
First	To the end of Primary 4, but earlier or later for some.
Second	To the end of Primary 7, but earlier or later for some.

Spiritual, social, moral, and cultural values (religious observance)

Parents may request that their children be permitted to be absent in order to celebrate recognised religious events. Advance notice should be provided to the school when children will be absent. Appropriate requests will be granted, and the pupil noted as an authorised absentee in the register.

8. Assessment and tracking progress

We want to share with you on how your child's learning is progressing. We do this through the process of assessment involving staff and young people gathering, reflecting on, and evaluating evidence of learning, so they can judge which skills learners are developing and how well they are learning. Curriculum, learning and teaching and assessment are interdependent, so assessment of skills should be part of, rather than separate from, assessment in different areas of the curriculum. Assessment should be an integral part of day-to-day learning and teaching, carefully planned at the same time as programmes and experiences, so that it reflects the learning, provides an emerging picture of progress and achievement in skills for all learners, and enables both staff and learners to play a full part in gathering and evaluating evidence and planning next steps in learning.

9. Reporting

Reporting will be ongoing and comprise of a range of activities which can include children presenting their learning, newsletters, and ongoing oral discussions. Twice a year parent/carers are invited to share in pupil learning at our open morning. This is very well attended and much enjoyed by parents and pupils alike.

We will provide parents with reports so that you can see what your child is doing and how they are progressing. In addition, there will be parents' meetings which offer you the opportunity to discuss how your child's progressing and how you can contact the school if you wish further information. The school will offer you an appointment time so that you can visit in person to discuss your child's education.

Our 'learner reports' will help you to get to know more about the curriculum which each child follows and will describe their strengths, achievements, and areas for development so you know what encouragement and support you can give.

We welcome any comments or additional information from parents to help us provide the best possible education for your child.

10.Enrolment and Transitions

Enrolment – how to register your child for school.

To register your child for school you should complete our online registration form. This can be done using the South Lanarkshire website.

www.southlanarkshire.gov.uk/info/200186/primary_school_information/392/enrolling_your_child_for_school

If you have any difficulty in identifying your catchment school, please email Edsuppserv.helpline@southlanarkshire.gov.uk

The online registration form will ask you to provide each child's full birth certificate and two pieces of recent official documentation both containing your permanent home address for example a utility bill, council tax statement, housing rent card, child benefit documentation.

Proof of where the child lives may also be needed.

If your child is due to start school in August 2025, you can enrol online from Monday 6 January 2025. Your catchment school will contact you between Monday 13 to Friday 17 January 2025 to confirm your enrolment.

If your child attends the nursery of your catchment school, please do not assume that they will automatically be transferred. You must register them as normal at the school that is in the catchment area for your home address

If parents want their child to go to another school, they must enrol in the first instance with their catchment school and intimate that they wish to make a placing request. An online placing request form is available from the SLC website – www.southlanarkshire.gov.uk or by contacting edsuppserv.helpline@southlanarkshire.gov.uk or phone **0303 123 1023**.

Change of School/Placing Request

Normally children attend the school in their catchment area. However, there are times when parents may wish their children to go to other schools. If you wish your child to go to another school, then you may make what is known as a 'placing request'. If you live in South Lanarkshire and decide to submit a 'placing request', we are unable to reserve a place in your catchment school until the Council have made a decision on the 'placing request'. Please note if your 'placing request' application is unsuccessful and all places at your catchment school are filled you will be offered a place at the next nearest appropriate South Lanarkshire School.

Please note that if an application for a 'placing request' is successful then school transport is not provided.

If you move outwith your catchment primary school a 'request to remain form' must be completed. If you move outwith your catchment primary, this may affect your right to transfer

to the associated Secondary School. Please note the secondary school is determined by the pupil's permanent home address and chosen denomination. If you require further information, please contact Education Support Services on edsupportserv.help@southlanarkshire.gov.uk or **0303 123 1023**.

Transition from primary to secondary school

Pupils normally transfer from primary to secondary school between the ages of 11½ and 12½, so that they will have the opportunity to complete at least 4 years of secondary education. Arrangements are made by the school to transfer children to the associated secondary school as determined by their home address. Parents of P7 children will be informed of the transfer arrangements made for their child to attend secondary school.

We will also provide you with information at this time on events designed to support P7 children before they move on to secondary school.

11.Support for Pupils

Getting it right for every child.

Getting it right for every child (GIRFEC) supports families by making sure children and young people can receive the right help, at the right time, from the right people. The aim is to help them to grow up feeling loved, safe, and respected so that they can realise their full potential.

Most children and young people get all the help and support they need from their parent(s), wider family, and community but sometimes, perhaps unexpectedly, they may need a bit of extra help. GIRFEC is a way for families to work in partnership with people who can support them, such as teachers.

If you have any concerns about your child's wellbeing, you can speak to the named person who will work with you to provide support and decide how to move forward. Your school will let you know who this is. It is likely to be the Head Teacher in a primary school and a principal teacher (pupil support) in Secondary.

More information can be found on:

www.scotland.gov.uk/gettingitright

Support for All (Additional Support Needs)

A statement of the school policy in relation to pupils with additional support needs, including the assistance given to pupils experiencing learning difficulties who do not have a co-ordinated support plan should be given.

The range of additional support for learning catered for, and the specialist services provided along with details on unit(s) and/or class(es) that the school offers.

The number of pupils who have a co-ordinated support plan should be shown. (Where the number of pupils who have a co-ordinated support plan is between 1-4 inclusive, it should not be published in the school handbook).

South Lanarkshire Education Resources have published a series of leaflets available which cover information for parents and carers about the Additional Support for Learning Acts.

In keeping with duties set out in the Education (Additional Support for Learning) (Scotland) Act 2004 (as amended) the guidance states that handbooks should specifically mention Enquire, the Scottish advice service for additional support for learning.

Enquire is funded by the Scottish Government to provide information on the framework for supporting children who require additional support for learning and to encourage positive partnerships between families, schools, and local authorities to ensure children get the right support.

Enquire – the Scottish advice service for additional support for learning

Enquire offers independent, confidential advice and information on additional support for learning through:

Phone Helpline: 0345 123 2303

Address: Enquire
Children in Scotland
Rosebery House
9 Haymarket Terrace
Edinburgh
EH12 5EZ

Email Enquiry service: info@enquire.org.uk

Advice and information is also available at www.enquire.org.uk

Enquire provides a range of clear and easy-to-read guides and fact sheets including the parents' guide to additional support for learning.

If you would like to order our leaflets, postcards or guides to share with parents and carers of pupils in your school, please contact us on info@enquire.org.uk

Attachment Strategy for Education Resources

Attachment – what we do to support children and young people

South Lanarkshire Council Education Resources is committed to improving outcomes for children and young people by creating emotionally supportive learning experiences in our nurseries and schools.

The Education Resources Attachment Strategy supports the action in the 'Getting it Right for Every Child in South Lanarkshire's Children Services Plan 2021-23', following the launch of the Attachment Strategy in 2020, to provide staff training in Attachment and Trauma based practice.

What does it set out to do?

The aim of the strategy is to promote better experiences of attachment for South Lanarkshire's children and young people and to ensure that all education practitioners understand the importance of attachment theory and its application and how positive relationships can make a difference to outcomes.

How can I find out more?

South Lanarkshire Council Education Resources have published a series of leaflets and posters for establishments and for parents/carers which aim to share information on attachment theory and on how this informs the ways in which we support children and young people.

These are available in schools and on the SLC Staff Learning Centre Sway accessible by teachers and staff.

12. School Improvement

Every session, we consult parents/carers about our next steps in school improvement. This helps to set priorities and justify spending decisions.

Our improvement priorities for 2023/24 are:

Priority One

Further improve learning and teaching in P1-P7 through consistent use of the 'Learning Intentions and Success Criteria' and 'Effective Questioning' sections of the SLC Pedagogy Palette.

Priority Two

Develop our curriculum offer with a focus on Technologies and Art & Design.

Priority Three

Attain our first Reading School Award.

Priority Four

Develop a Nursery Class 'Learning at Home' Numeracy programme for parents/carers and children.

The Standards and Quality Report for the previous school year can be found on the homepage of our website.

13. School policies and practical information

School/Nursery Meals

Nursery class

All children attending a local authority nursery will be provided with a free lunch. In addition, if your child attends long mornings or afternoons e.g., over 4 hours 30 minutes they will be provided with a 'brunch' or 'afternoon tea'.

Nursery lunches and snacks are based on nutritional requirements from the NHS "Setting the Table" guidance.

Nursery age children will also receive milk and a healthy snack free of charge under the Milk and Healthy Snack scheme 2021. This will be provided by the establishment.

Primary pupils

Healthy eating is something that the school supports, and a range of meals are available at lunchtime that meet the Nutritional Requirements for Food and Drink in Schools (Scotland) Regulations 2020

All primary schools run a Breakfast service from 8.15am to 8.45am with pupils being offered a selection of toast, cereal or fruit along with a cup of milk.

For their lunch each day pupils have the option to choose from four meal options everyday. These are all served with vegetables or side salad. All meals also come with fresh chilled drinking water, salad selection, seasonal fruit and depending on the day - soup or a dessert.

Milk will be available for those pupils entitled to free school meals through the free school meal eligibility scheme at morning break or lunchtime.

Pupils in:

Primary 1 - 5 receive a free school lunch.

Primary 6 - 7 meal cost is £2.17.

School lunches and milk can be paid for through your Parentpay account or Paypoint facilities in local shops.

NB School Meal prices are reviewed annually and may be subject to change

Adapted diets

If your child within Nursery, Primary or Secondary requires an adapted diet for medical reasons please speak to the school/nursery office who will provide the request form for you to complete. In addition, if you have a halal or vegan diet request for your child, please speak to the school office who will provide you with a request form.

Free School Meals

Children of parents who receive the following benefits are entitled to a free lunchtime meal for their child:

Income Support, Universal Credit (where your take home pay is less than £796 per month), Job Seeker's Allowance (income based), Employment and Support Allowance (income related), Working Tax Credit and Child Tax Credit (where your gross annual income does not exceed £9,552 as assessed by the HM Revenues and Customs), Child Tax Credit Only (where your gross annual income does not exceed £19,995 as assessed by the HM Revenues and Customs) or receive support under Part VI of the Immigration and Asylum Act 1999.

If you are in receipt of Housing Benefit and/or Council Tax Reduction from us there is no need for you to apply online, we will use the information we hold to automatically award free school meals (P6 to S6) and/or school clothing grants (P1 to S6) to eligible families.

We would encourage parents of children who are in receipt of any of the above benefits to take up this opportunity of having a meal provided for their child when they are at school. Arrangements are in place to ensure anonymity is protected of children who receive free meals and we encourage all children to remain in school at lunch time.

School uniform

We ask all parents/carers to support the school by encouraging your child(ren) to adhere to the agreed dress code and the wearing of our school uniform. The wearing of a school uniform helps promote the identity of the school in the local community and helps create an ethos of sharing and pride in the school.

In addition, the wearing of a uniform helps towards increasing the protection of all pupils. The wearing of a uniform helps staff and the pupils to distinguish between who belongs to the school and those who may be visitors. This enables staff to approach and identify visitors more readily and helps in trying to offer a safer environment for pupils and teachers alike.

Equality of opportunity is an important aspect of the life of the school. Any proposals on the dress code and on what constitutes the school uniform will be the subject of discussion with the Parent Council and where appropriate consultation with parents, pupils and staff.

Our uniform is very smart and very much supported by our parents. In a survey - only one parent was not in favour of school uniform.

Our Uniform

- Grey/Black Trousers
- Grey/Black Skirt
- White shirt with Tie
- White polo shirt
- Red Sweatshirt/Cardigan
- Black Blazer with Badge (optional)

Checked gingham dresses are available from local stockists for the summer months.

School fleeces/waterproofs are also available.

We would ask that all clothing is labelled so that we can return lost items to their owners.

If possible, children should have shorts and a school polo shirt for gym - more comfortable and hygienic.

Children also require gym shoes and we would be very grateful if younger children were provided with 'slip-on' shoes and gym shoes until they can cope with laces.

There are forms of dress which are unacceptable in all schools such as:
the wearing of football colours

- clothing with slogans that may cause offence (anti-religious, symbolism or political slogans)
- clothing which advertises alcohol, tobacco, or drugs
- clothing which can be deemed unsuitable in terms of health and safety grounds such as shell suits, combat style clothing, dangling earrings, loose fitting clothes particularly in practical classes.
- articles of clothing that could be deemed to inflict damage on other pupils or be used by others to do so.
- footwear that may damage flooring.

Allergies

Many children in our schools have allergies, and it is crucial for parents to keep the school informed about these conditions.

Health Care Plans

- Allergies can manifest at any time with symptoms ranging from mild to severe.
- Children with moderate to severe allergies often have a Health Care Plan from the NHS, detailing symptoms and interventions.
- Parents must share this plan with the school and provide updates as necessary.

Mild Symptoms

- Even without a Health Care Plan, parents should regularly update the school on any new triggers, medications, or actions required.

Employee Training

- School staff need to know your child's symptoms, treatments, and actions required to prevent exposure and minimise the risk of reactions.
- Employees receive training on allergies and will consult with parents and the NHS for any additional specialist training needed.

Policy Adherence

- In supporting children and young people with allergies, school staff will follow South Lanarkshire Council's Safe Systems of Work, risk assessment process, and national guidance on the administration of medicines.

Support for parent/carers

Clothing grant

In certain circumstances the Council provides support to parents/carers for the purchase of school wear. This also now includes nursery children aged 3 and 4 years old.

Applications can be made online at www.southlanarkshire.gov.uk. If you are required to submit evidence of your Tax Credit income it is important that a copy of this evidence is attached to your online application. Should you require further information, or you are unable to submit an application online then please contact the helpline number **0303 123 1011** (option 5).

Types of holiday listed by month	Holiday dates
August 2025	
Teachers return on Tuesday 12 August 2025	
In-service days - all schools	Tuesday 12 and Wednesday 13 August 2025
Pupils return to school	Thursday 14 August 2025
September 2024	
September weekend	Friday 26 and Monday 29 September 2025
October 2024	
October break	Monday 13 to Friday 17 October 2025 Pupils return on Monday 20 October 2025
November 2024	
In-service day - all schools	Monday 10 November 2025
December 2025 and January 2026	
Christmas/New Year	Schools close at 2.30pm on Friday 19 December 2025 Schools re-open on Monday 5 January 2026
February 2026	
February break	Monday 16 and Tuesday 17 February 2026
In-service day - all schools	Wednesday 18 February 2026
March/April 2025	
Spring break/Easter	Schools close at 2.30pm on Thursday 2 April 2026 Schools re-open on Monday 20 April 2026
May 2025	
May Day	Monday 4 May 2026
In-service day – all schools	Thursday 7 May 2026
Local Holiday	Friday 22 May and Monday 25 May 2026
June 2025	
Summer break	Schools close at 1pm on Thursday 25 June 2026

* Good Friday falls on Friday 3 April 2026

**In-service day proposed to coincide with Scottish Parliamentary Election. Subject to change

** Lanark schools will close on Thursday 12 and Friday 13 June 2025

Pupils attend school for 190 days and teachers attend for 195 days.

School transport

South Lanarkshire Council's mainstream school transport policy provides transport for primary school pupils who live one mile or more from their catchment primary school by the shortest safe walking route.

The calculation on the measurement of distance from home to school is measured using a Geographical Information System (GIS), which is used for all measurements to ensure that Council Policy is consistently applied across the Authority.

More details on school transport can be found at the following link including the online application form:

https://www.southlanarkshire.gov.uk/info/200186/primary_school_information/545/school_transport

If you consider your child to be eligible you should complete the online application form. Forms should be submitted before the end of March for those pupils starting school in August to enable the appropriate arrangements to be made.

A privilege transport scheme is operated on mainstream school contracts where a pupil is not entitled to free school transport. Privilege Transport will only be provided where there is a space on an existing school contract and will be from and to designated pick-up and drop-off points. It will not be provided where a service bus is used on the school run. Any spare capacity will be allocated using agreed priorities. A new application must be made each year.

More details on Privilege school transport may be found here:

https://www.southlanarkshire.gov.uk/info/200186/primary_school_information/784/privilege_transport_to_school

Pick-up points

Where school transport is provided it may be necessary for pupils to walk a certain distance to the vehicle pick-up point. Walking distance in total, including the distance from home to the pick-up point and from the drop-off point to the school in any one direction, will not exceed the authority's distance limit for school transport.

It should be noted that it is the parent's responsibility to ensure their child behaves in a safe and acceptable manner while travelling in, and alighting from, the vehicle. Misbehaviour can result in your child losing the right to school transport.

Parents are asked to note that South Lanarkshire Council does not provide transport for those pupils who attend school via a placing request.

Insurance for Pupils' Personal Effects

South Lanarkshire Council has noted an increase in claims for loss or damage to pupils' clothing and personal effects. Please be aware of the Council's insurance policy regarding pupils' personal items:

Theft/Loss of Personal Effects

- The Council is not responsible for the loss or theft of pupils' personal items, such as mobile phones or tablets. These items are brought to school at the pupil's and parents' own risk.
- To prevent loss, please avoid bringing valuable or unnecessarily expensive items to school.
- Staff members are instructed not to take custody of any personal items.

- This policy also applies to musical instruments and other equipment used for school activities. If such items are left at school, it is at the pupil's and parents' own risk.
- For valuable items like musical instruments, parents should ensure they are covered by their own household insurance.

Damage to Clothing

- The Council is only liable for damage to pupils' clothing if it is caused by the negligence of the Council or its employees. Claims for other reasons will not be accepted by the Council's insurers.

Promoting positive behaviour

It is the responsibility of staff within the school to ensure that parent council members, parents and pupils are involved in the creation of a positive school ethos that encourages good behaviour. Equally, the school whilst trying to promote positive behaviour must support young people should incidents or bullying occur. Parents have a significant role to play in working with the school so that teachers, parents, and pupils know what is expected of them in trying to change the behaviour and attitudes that contribute to bullying behaviour.

Our approach is to create an environment where better behaviour will encourage better learning. The school, along with the support of parents, can work together to create a learning environment which young people can enjoy and feel safe.

Incidents of bullying should be reported to the school immediately so that each alleged incident can be looked at. Together we can work towards creating a safer school for children and staff.

In addition, a guideline (Promoting Positive Relationships and Behaviour) has been produced to support all teaching and support staff and inform them of their roles and responsibilities in respect of dealing with the small number of children and young people who display challenging behaviour. Early identification is crucial so that intervention can be provided to support children and young people to help them address their issues and concerns. Staff training is provided to help develop the skills needed to respond to and manage challenging behaviour. A wide range of appropriate staff development opportunities has been developed for this purpose.

Child Protection

All staff in educational establishments in South Lanarkshire Council receive an annual Child Protection update and are required to follow the advice and guidance contained within relevant Education Operating Procedures. They must also complete a mandatory Learn on Line Course "Child Protection in Education".

South Lanarkshire's children's services partnership works together to support children, young people, and their families so that children grow up in communities where they are safe, healthy, active, achieving, respected, responsible and included, and have the opportunity to achieve their full potential. They are committed to continuously improve our services to ensure children, young people and their families get the right support at the right time.

Sometimes children and young people need additional help to make sure that they are "*cared for and protected from abuse and harm in a safe environment in which their rights are respected*" (CPC South Lanarkshire Child Protection shared vision). The Child Protection Committee has the overarching responsibility to ensure that agencies individually and collectively work to protect children and young people as effectively as possible.

All staff have a responsibility to report any suspicions that a child has been abused or is at risk of harm, abuse, or neglect. Robust procedures and guidance are in place to support education staff to: -

- be alert to signs that a child may be experiencing risks to their wellbeing,
- report concerns to the head of establishment or the child protection coordinator without delay.
- be actively engaged in support and protection and development of wellbeing.

If you would like more information, or have a concern of a child protection nature, please contact the head of the educational establishment which your child attends.

The Child Protection Committee's website has a range of useful information for parents/carers to help them keep their children safe. www.childprotectionsouthlanarkshire.org.uk

General Data Protection Regulation as supplemented by the Data Protection Act 2018 (GDPR)

Information on pupils, parents and guardians is held by the school to enable the teaching, registration, and assessment of pupils as well as associated administrative duties. The information is stored and used as per the requirements of the GDPR, with South Lanarkshire Council defined as the data controller. The Council have established a data protection policy that applies to all of its school.

Education Resources has also prepared a privacy notice (below) which sets out how we will deal with personal information as part of our statutory function as an education authority. For more information, please contact the school.

Privacy Notice

Introduction

In line with the General Data Protection Regulation (GDPR) we have produced this privacy notice to inform you how we deal with personal information as part of our statutory function as an education authority.

The Council has a legal obligation to deliver effective education services to children, young people, and adult learners in South Lanarkshire. In order to do this, we need to collect personal information about children, young people, and their families so that we can help them to learn and keep them safe.

Using your personal information

The Council is a “controller” of the personal information you provide when enrolling for a nursery or school, applying for an education service, or participating in groups or activities provided by Education Resources.

Information we collect from you about you and your child at enrolment.

When you enrol for a nursery or school, we ask for the following information:

parent/carer contact details (name, address, phone, email).

the child's name, date of birth, gender, and address.

information about medical conditions, additional support needs, religion, and ethnicity.

any information you may wish to provide about family circumstances.

Information we collect at other times.

We will also collect information at other times such as when you apply for a benefit, request a services or other support. We will provide an additional privacy notice at these times.

If you apply for an education service or benefit, such as school transport, free school meals, clothing grant, placing request or EMA, we will also ask for personal information as set out above.

We will also ask for information about your income for education benefits applications.

If you make a request for additional support such as an educational psychologist or other support for learning, we will ask for more detailed information to allow us to provide the most appropriate support for your family. This may include information about family circumstances or medical conditions.

If there are concerns about your child's wellbeing and/or your child has needs that may require additional support, we will wish to work with you to collect and consider information to enable us to help you get the right support at the right time in line with the Getting it right for every child approach.

We require this information to ensure that children and young people are educated appropriately, supported, and that we take account of their health and wellbeing. We will also ask you to update this information annually and to tell us when there are changes to your details.

Information that we collect from other sources.

As an education authority and as part of our statutory function in accordance with our legal obligations, we receive information from other sources such as the SQA, the NHS or Social Work about you or your child, this includes:

exam results and assessment information.

information about health, wellbeing, or child protection.

Why do we need this information?

We need this information so the Council can ensure it is delivering education services appropriately to all learners:

for the education of children, young people and adult learners.

for teaching, enrolment, and assessment purposes and to monitor the educational progress of children, young people and adult learners;

to keep children and young people safe and provide guidance services in school;

to identify where additional support is needed to help children, young people and adult learners with their learning;

to maintain records of attendance, absence and behaviour of children and young people (including exclusions);

to support children and young people moving on each year from nursery to primary, primary to secondary and when they move or leave school;

to help us develop and improve education services provided for young people, adult learners, or families

In accordance with our legitimate interests as an education authority we will also use your information to create statistical reports.

We will share your information with:

As an education authority and as part of our statutory function in accordance with our legal obligations we will share information with other bodies or parts of the Council, including:

The Scottish Government and bodies such as Education Scotland, Scottish Qualifications Authority, Skills Development Scotland, and other organisations that support children and young people's learning.

Other parts of the Council when required for services such as school meals, school transport, education benefits and with Social work in connection with any child protection concerns we become aware of.

The NHS, to support health initiatives in accordance with the legal obligation on the Council in terms of section 39(3) of the National Health Service (Scotland) Act 1978.

South Lanarkshire Leisure and Culture Limited, where children and young people are participating in sports and leisure activities.

Other schools/local authorities – if a child moves or transfers to another school the Council has an obligation to pass on information with regards to pupil records to the new school/local authority.

You have the right to access your personal information as well as the rights of rectification, erasure, restriction, and the right to object. For information on these rights and how to exercise them or for information about how we manage your personal information, you can get a copy of our full privacy notice from our website:

(https://www.southlanarkshire.gov.uk/info/200235/meta/1730/general_privacy).

Our full privacy notice will also provide information on how to make a complaint or to request a paper copy of the privacy notice from the Data Protection Officer.

The Freedom of Information (Scotland) Act 2002

The Freedom of Information (Scotland) Act 2002 came into force on 1 January 2005 and gives a person the right to request information held by Scottish public authorities.

The act refers to information held in a 'recordable' format and relates to information held within documents, not the documents themselves.

Parents wishing to make a request for information under the terms of the Freedom of Information (Scotland) Act 2002 should submit their request in writing to:

Freedom of Information Officer
Education Resources
South Lanarkshire Council
Council Offices, Almada Street,
Hamilton, ML3 0AA

Or email: foi.request@southlanarkshire.gov.uk

Requests for information can also be submitted using the online form available from the South Lanarkshire Council website (Request it section) (www.southlanarkshire.gov.uk)

Appendix A
