Football Colours

In response to enquiries about the P6 and P7 football clubs, a t-shirt suitable for PE should be worn. The excerpt below about unacceptable forms of dress is consistent in all South Lanarkshire school handbooks.

There are forms of dress which are unacceptable in all schools such as:

- the wearing of football colours
- clothing with slogans that may cause offence (anti-religious, symbolism or political slogans)
- clothing which advertises alcohol, tobacco or drugs
- clothing which can be deemed unsuitable in terms of health and safety grounds such as shell suits, combat style clothing, dangling earrings, loose fitting clothes particularly in practical classes
- articles of clothing that could be deemed to inflict damage on other pupils or be used by others to do so
- footwear that may damage flooring.

Photographer

The photographer will visit the school on Thursday (Nursery) and Friday (P1-7). School uniforms should be worn. There will be no PE or MUGA prior to photos being taken on the day.
