Disco - Thursday

Children enter via the main entrance at the start of each disco.

At the end of each disco, parents/carers should enter via the canteen door.

Children are collected and then everyone leaves via the assembly hall door.

This one-way system allows the organisers to keep track of children leaving with an adult.

Please note that this event is supervised by the Glengowan Parent Group, not school staff.

Fancy dress is permitted but **no weapons or props** please. Mobile phones will not be permitted at the discos so please do not bring these.
