Strawberry Fayre

Despite the weather, we still had a very successful event on Saturday. Thank you to everyone who contributed to the planning of the day and attended. Over £5000 was raised. As always, this money funds new resources that we would not normally be able to purchase for the children. Much of what the children use every day in school, including Sumdog, Big Maths and many of our resources to support our young learners with literacy and numeracy, can only be made available through the fundraising efforts of our Glengowan Parent Group and the extremely supportive wider school community. Thank you.
